

To Vaccinate Pupils.

Prof. H. D. Hist of the Neville institute, notified the pupils of rooms Nos. 7 and 8 yesterday afternoon that all must be vaccinated before they can return to school, Monday. This announcement was made following the discovery of smallpox at the Severs home on Michigan avenue. One of the Severs children has been attending the Neville institute.

New Arrival.

Born yesterday to Mr. and Mrs. Riley Norris of Harvey avenue, an eight pound boy.
